A SPLENDID OFFER IN THE UPPER VALLEY. This is a tract of 138 acres, lying about 3 miles or less of Canutillo. It consists of a fine rich soil, all silt, and is therefore highly productive, and the quality is lasting. Lands in the immediate vicinity are selling at \$150 and over per acre. These same lands formerly sold at the nrice at which we are holding this, and doubled in value within less than two years time. We are offering this at the price which other lands brought 2 years ago and the opportunities for increase in value are the same or better. If you will investigate this you will be convinced that it is most same or better. If you will investigate this you will be convinced that it is a most attractive bargain, with a certain future, at the price of \$80 per acre. It is subject to trade for a part payment for good city property. We take pleasure in showing this, as it substantiates every statement.
